

# Accomplishments 2002

- We are so grateful for your prayers and financial support.
- It is because you gave that we were able to receive our official 501(c)(3) recognition from IRS & FTB.
- Member of Orange County Food Bank – food at a very affordable price (45 low-income families received emergency food boxes; 120 sack lunches monthly)
- Implemented court approved parenting classes
- James conducts Sunday services at the Orange County Rescue Mission, Santa Ana and a Christian 12-Step Program at Salvation Army, Santa Ana

# Accomplishments 2002 contd.

- Provided traditional Thanksgiving meal for 100 individuals on the streets of Orange County – with assistance of 20 volunteers from Son Light
- All these contacts, this past year assisted in the development of relationships, allowing us to minister the love of Jesus Christ to disenfranchised people, providing for their physical and spiritual needs. We witnessed more than 100 souls come to know the Lord, and as a result of this heart change, there is a sincere desire and willingness to make a change.

# Goals 2003

- Expansion of Parenting Classes to include training for parents of teens; cooperative parenting and divorce; and character education for children in grades 1-4
- Hot meal, at least once a week, in conjunction with Sunday services, in Santa Ana
- Increase Christian 12-Step Program to at least one more meeting place per week
- Thanksgiving and Christmas Outreach

# Thank you Son Light

- Please continue to pray for the ministry and ask the Lord what He would have you do in 2003 to assist us in meeting our goals for the year.
- Without your prayers and financial support, none of this would be possible.

In His Service,

Pastor James & Grace Womack
